- Enter the Token and Salt obtained from Onelink in the respective fields.
- Choose the Mode (Test or Live) for payments.
- Save the changes

## **Usage**

### **During Checkout**

Customers will now see Onelink Payments as a payment option during checkout.

### **Testing**

Perform Live Test Transactions. Minimum testing transaction amount is \$5.00

### **Going Live**

Once testing is successful start accepting payments.

## **Important Notes**

### **WooCommerce Requirement**

This plugin is designed to work exclusively with WooCommerce. Make sure you have WooCommerce installed and activated on your WordPress site.

### **Token and Salt**

Keep your Token and Salt secure. They are essential for processing payments through Onelink.

### **Support**

For any questions or issues related to the plugin, refer to the plugin documentation or contact One Link Support @ +501-677-1633.

That's it! You have successfully installed and configured the Onelink Payment Gateway plugin for WooCommerce.
